Carbon Arrow Nocks

• 12 per pack • Fits Allen, Carbon Express, Gold Tip, and other arrows with 9/32" diameter shaft • Friction fit; can be used without glue • Snap-on feature grips the string, great for release shooters • Allen nocks make shooting easier—the friction fit design allows the user to shoot an arrow for tuning purposes without glue. The string end of the nock is designed to grip the string without gripping so tightly to reduce arrow speed
