INTRODUZIONE

La Ditta Rizzini viene fondata nel 1966 da Battista Rizzini, che ancora oggi la dirige con collaborazione dei suoi tre figli; negli anni si è fatta conoscere ed apprezzare in tutto il mondo grazie alla continua ricerca della migliore qualità dei suoi prodotti resa possibile solo attraverso continui investimenti in tecnologie avanzate ma sempre nel rispetto della lavorazione artigianale.

La Rizzini realizza fucili ideati per rispondere alle più esigenti richieste di cacciatori e tiratori; produce oggi fucili sovrapposti, doppiette e combinati ad anima liscia e rigata; fucili da competizione ideali per qualsiasi specialità, anche in piccoli calibri.

L'azienda conta al suo interno uno studio di progettazione e sviluppo, diverse macchine a controllo numerico di ultima generazione e un reparto di falegnameria dove vengono selezionate e lavorate le parti in legno; personale qualificato si occupa dell'assemblaggio delle armi e un tunnel di prova interno è disponibile per i test di sparo. Il marchio Rizzini, l'originale, è depositato in tutto il mondo ed è da sempre sinonimo di qualità e affidabilità 100% made in Italy.

INTRODUCTION

The Rizzini Company has been founded in 1966 by Battista Rizzini who currently runs it together with his three children. Since the foundation, its products acquired worldwide renown and appreciation through the endless quest for the best quality of the materials and products, achievable only through continuous investments in new technologies integrated into traditional workmanship.

Rizzini produces firearms intended to match the most demanding needs of hunters and competition shooters; its production includes game over unders, side by side and combination models in both smooth bore or rifled bore as well as competition models specifically developed for the single shooting disciplines and the range of models includes small gauges as well.

The Company operates a project development office, several state of the art CNC machines and a woods department for the production of stock and forends. The guns are assembled by skilled gunsmiths and tested for pattern in the in house shooting tunnel.

The "original" Rizzini brand is registered worldwide and it certifies the highest quality and reliability of the product, 100% made in Italy.
